BILLING CODE 6712-01-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

50 CFR Part 14

RIN 1018-AE08

Importation, Exportation, and Transportation of Wildlife (User Fee Exemptions for Qualified Fur Trappers)

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Final rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service) are revising our regulations providing for user fee collections from commercial importers and exporters of wildlife and wildlife products. We provide a fee exemption to trappers of fur-bearing wildlife operating small, low volume businesses engaged in wildlife trade on a small scale where there is relatively low cash flow, to individuals who trap fur-bearing wildlife from the wild as a hobby or to supplement their income and who do not deal in manufactured products or live animals as a primary means of income. The exemption from our inspection fee will apply to commercial importers and exporters based upon specific criteria, including country of origin, numbers of items, and permitting requirements. We therefore modify our user fee regulations to grant this relief to certain individuals and small businesses, meeting the outlined criteria, from the designated port inspection fees, non-designated port administrative fees, and hourly

minimums only. This rule still allows us to continue to collect data on fee collections in order to analyze the impact of user fees on small business for future decision making.

DATES: This rule is effective June 1, 1999.

ADDRESSES: Send correspondence concerning this rule to the Director, U.S. Fish and Wildlife Service, P.O. Box 3247, Arlington, Virginia 22203-3247. The complete file for this final rule is available for public inspection, by appointment, during normal business hours.

FOR FURTHER INFORMATION CONTACT: Kevin R. Adams, Chief, Office of Law Enforcement, Fish and Wildlife Service, U.S. Department of the Interior, (703) 358-1949.

SUPPLEMENTARY INFORMATION:

Background

Summary of Public Participation

We received 39 comments on the proposed rule published on January 22, 1998 (63 FR 3298) 13 of which were submitted by individuals who we classified as non-consumptive users, i.e., those that do not hunt or trap wildlife. In addition, 11 comments were received from non-consumptive organizations such as the Animal Welfare Institute, Animal Protection Institute, International Primate Protection League, The Humane Society of the United States, and The American Society For The Prevention Of Cruelty To Animals.

We received four comments from individuals who were consumptive users of wildlife and four from consumptive user organizations such as the International Association of Fish and Wildlife Agencies, the Safari Club International, the Alaska Trappers Association, and the National Trappers Association. The states of Alaska, Illinois, Louisiana, and Nebraska also sent in comments to the proposed rule. We received three comments soliciting exemptions for tropical fish imports, and commercially raised quail and pheasant imports from Canada. We did not address these comments; they did not pertain to this rule.

Issues Raised in Public Comments, and Service Responses

Comment: The Service needs the current fee structure as it is designed to allow the Service to pay for the inspection program. Any exemptions would begin to erode the Service's ability to conduct critical inspections of wildlife being imported and exported.

Response: We acknowledge that the Service utilizes collected fees to support
